Any time is **Cmop** time

Make your life clean easier as professional with C-Mop auto mini scrubber. You can clean everywhere and any time.

This is the cleaning innovation, a combination of conventional cleaning (mop) and professional cleaning (auto scrubber). More compact, flexible and faster, but still great performance and safe as professional cleaning machine. Good for deep cleaning, even clean the edge or under obstacles.

PROFESSIONAL, BUT
MORE FLEXIBLE,
SAFER AND FASTER**
