The tablet's solid chemistry
is formulated to
save on packaging.

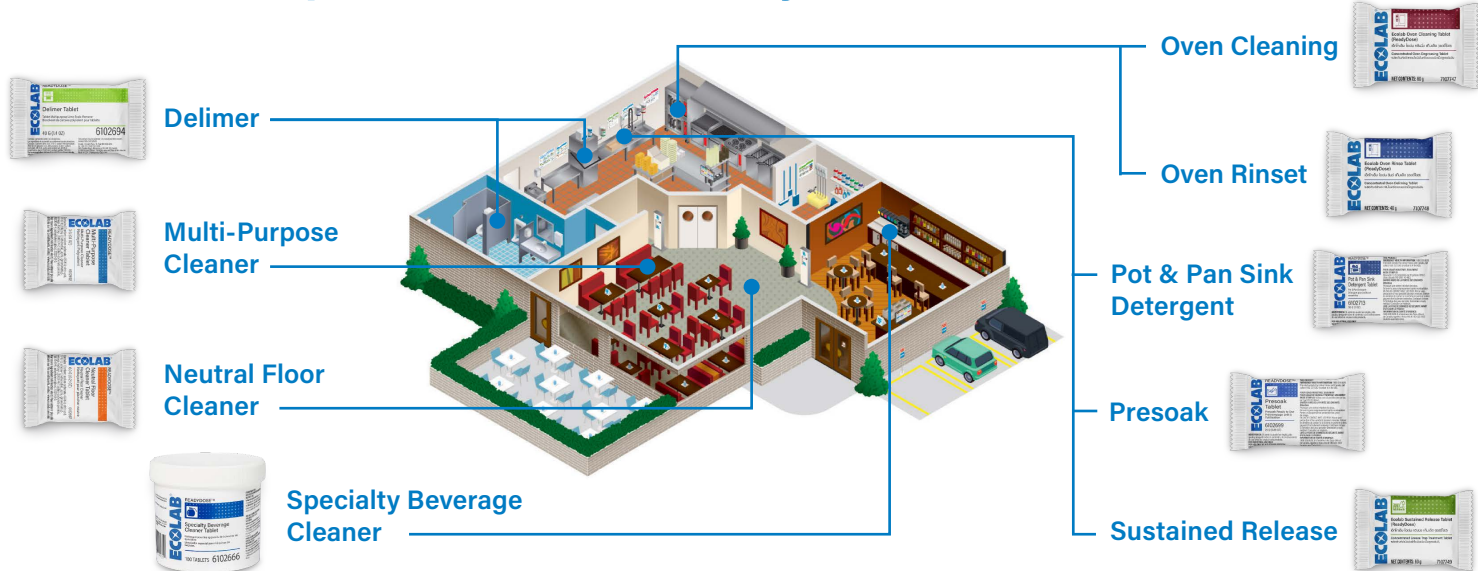

99.9%

reduction in plastic waste¹

The **Sustained Release Tablet (ReadyDose)** is part of the **ReadyDose™ Program**: an effective, easy-to-use tablet cleaning program available in a variety of applications to cover all your everyday cleaning needs.

1. Reduced plastic and cardboard waste enabled by minimizing packaging weight and materials due to solid tablet chemistry. Further detailed information for each product value found is located in disclosure details on Ecolab.com/ReadyDose.

A complete, innovative program that delivers a professional-grade clean for your guests and a clear uncomplicated routine for your staff.

Directions for Use:

1

Clean the grease trap with cleaning products.

2

Drop 1 tablet into the hole in the center of the grease trap.

3

After 24 hours, clean the grease trap again and start the process according to step 2.

Empower your employees with easy-to-use, color-coded tablets.
